Samuel Bruss Friend
I will try and answer your
letter received the 24 I wrote to
Sando Sumtinago about
advertising my house received
letter from him yesterday saying
he would see to it for me
But he said there was no
demand for houses ^{and} it will
only be and expense one one
he said there was so many
houses for sale when you
write let me know whether
that is so or not now I want
you to study this thing over
as a friend and let me

know whether it would be
 best to let him go on and
 try to sell I need money and am
 not able to work and can not
 expect my brother to keep me.
 Sando wrote and told me
 that if I must have money
 he would lend me some
 but I don't want any money
 that way if I had the money
 I would fix it up and then
 I know I can't sell but when
 you have no money or friends
 you can't do any thing
 don't say any thing to
 any one what I have said
 Sando don't know that I hear
 from you

3
Do you know whether
there would be any chance
to sell When you
write tell me the
truth as it friend

I suppose you are having some
cold weather in there it is
very cold here this morning
it was 24 degrees below zero

But we not have much
snow only six or seven inches
I have only saw one sled this
winter of cars you see from
sleds but not very many
Well I will close hoping to hear
from you soon good by
Mary et Jeff
